# New Philadelphia Municipal Court 2017 Annual Report

Prepared & Submitted by: Judge Nanette DeGarmo Von Allman March 16, 2018

Honorable Joel Day, Mayor of New Philadelphia New Philadelphia City Council Members Tuscarawas County Commissioners Chris Abbuhl, Kerry Metzger, Joe Sciarretti

Re: New Philadelphia Municipal Court 2017 Annual Report

Dear Madams and Sirs:

It has been my privilege and honor to have served my sixth year as Judge of the New Philadelphia Municipal Court. The court continues to handle a significant number of cases and continually seeks to be fair and effective in the administration of justice. Through the hard work and dedication of the entire staff we have accomplished many goals and continue to look forward to the challenges and responsibilities ahead.

Our communities, and the New Philadelphia Municipal Court, are facing many challenges in dealing with the opioid epidemic and crime directly related to substance abuse. Through the New Philadelphia Municipal Recovery Court, Choices program, and Pre-Trial Supervision, we are focusing our efforts on effective monitoring through our Probation Department, in collaboration with local law enforcement and mental health and addiction treatment agencies.

- In 2017, the court handleda total of **13,800** cases a 4.42% increase from the 13,216 cases handled in 2016.
- The Court continued to hear cases in three courtrooms which ensures that cases are being heard in a just, timely and efficient manner.
- The Court's records are available online atnpmunicipalcourt.org. Visitors to the website can search open and closed case information, view the daily schedule, obtain information about the Court's operations, and pay financial sanctions online. In 2017, there were 122,676 userswith 7,126,608 page views. The website has been upgraded to make it mobile-friendly. All computer upgrades are paid for with funds generated from court costs.
- Judge Von Allman and Judge Gary Willen of the Carroll County Municipal Court have, for the last 6 years, had an on-going reciprocal assignment agreement authorized by the Supreme Court of Ohio. Judge Von Allman and Judge Willen cover each other's dockets, on average of one day per month at no cost, thus reducing Visiting Judge costs to both courts.

- The Courtreplaced old floor coverings throughout the building which had greatly exceeded useful life and were in very poor condition. CILOCS funds were used toward this project.
- The Court installed two additional security cameras in the building to enhance perimeter surveillance. CILOCS funds were used for this project.
- The Court and City of New Philadelphia applied for and received a grant in the amount of \$20,000.00 from the Doris and Floyd Kimble Foundation toward updating lighting throughout the building. The work will be done in phases in 2018, with the balance of costs paid from CILOCS.
- Municipal Court employees continued "Casual Fridays for Charity." Staff who desire to dress casually on Fridays contribute \$2.00 each. Each month, a different charity is chosen by the staff. In 2017, employees raised over \$700.00 which was distributed among various charities including: Community Hospice, Greater Dover-New Philadelphia Food bank, Tuscarawas County Dog Pound, Share-A-Christmas, FOP Lodge 4 (Shop Witha Cop), Starlight Enterprises, and Alzheimer's Association.

In closing, I wish to acknowledge the dedication and hard work of my entire staff. I would also like to thank you all for your cooperation and support. I look forward to working together in the months and years ahead to make our community a better place for everyone.

Sincerely yours,

Judge Nanette DeGarmo VonAllman

# The New Philadelphia Municipal Court

# **Clerk of Court Report**

### **Territorial Jurisdiction**

The New Philadelphia Municipal Court has territorial jurisdiction within the municipal corporations of New Philadelphia and Dover, and within Wayne, Franklin, Lawrence, Sandy, Sugarcreek, Dover, Fairfield, Warren, Auburn, York, Goshen, Bucks, and Jefferson Townships in Tuscarawas County.

# **Subject Matter Jurisdiction**

#### **Criminal Division:**

The Court has jurisdiction over violations of any ordinance of any municipal corporation within its territory, and of any misdemeanor committed within the limits of its territory. The Municipal Court also has jurisdiction to conduct preliminary hearings and other necessary hearings in felony offenses committed within its jurisdictionin order to determine if there is probable cause to hold or recognize the defendant to appear before the Court of Common Pleas.

#### **Civil Division:**

The Court has jurisdiction in civil matters in all cases in which the amount claimed by any party, or the appraised value of the personal property sought to be recovered, is less than fifteen thousand dollars (\$15,000.00). The Court also hears civil appeals of various orders of the Ohio Bureau of Motor Vehicles, eviction actions and other landlord/tenant disputes, and Small Claims cases where the amount in controversy does not exceedsix thousand dollars (\$6,000.00).

The New Philadelphia Municipal Court handled **13,800cases in 2017.** It should be noted that this figuredoes not include the number of cases that are reopened each year due to motions to revoke community control sanctions, motions for contempt of court due to failure to comply with court orders, and the collection of civil judgments through garnishments, attachments, and debtors exams.

# **2017 Cases Terminated**

### **Jury Trials and Bench Trials**

In 2017, the Court held 2 jury trials, 1354benchtrials, and 178 Small Claims trials.

### **2017 Domestic Violence Cases**

# **Case Load Comparison by Court**

The Ohio Supreme Court collects and reports statistical information from all courts in Ohio. The following information reflects a comparison of the per judge caseload of this Court and other municipal courts.

Comparison of Caseloads per Judge (Source: 2016 Ohio Courts Summary)

### Dispute Resolution in Criminal Tax Cases/Bad Check Cases

In 2017, **210 total tax charges were filed.** 57 of those went to arraignment and 153cases were referred to the program resulting in successful resolution in many of these cases. The Check Resolution Service is designed to resolve bad check cases.

#### **CILOCS**

Contributions in Lieu of Community Service: Pursuant to a change in Ohio law in 2011, the court may permit a defendant who is sentenced to a term of community service to make a reasonable contribution, instead of working the service hours, to the General Fund of the County, Municipality, or other local entity that provides funding to the Court. If more than one entity provides funding, the contribution is disbursed in proportion to the amount of funding provided. We call this program CILOCS.

In 2017, a total of \$148,293.78 in CILOCS funds were received. Recognizing the expanding responsibilities in delivering court services in probation, declining revenue in

the Probation fund, physical needs of the 66 year old Municipal building, and the work involved in administering the CILOCS program, the New Philadelphia City Council passed a Resolution in 2016 to designate the CILOCS funds for the Court's exclusive use.

### **Payment Plans**

Defendants who request additional time to pay fines and court costs are assessed a \$25.00 payment plan fee. Offenders who owe the court money may be granted up to 90 days to pay, after which the delinquent balance may be forwarded to the Court's collection agencies.

#### **Collections**

The Court follows all state, federal and constitutional guidelines in assessing and collecting fines, costs and fees and determining each Defendant's ability to pay. Defendants are advised in writing at the time of arraignment of their rights, and the Court's procedures, regarding the imposition and collection of financial sanctions.

By adopting a local rule in 2013, the Court modified how payments made by defendants are applied. Payments are applied first to court costs, then to restitution, and then to fines. This has resulted in an increase in local costs going to the City of New Philadelphia.

In 2012, the Clerk of Court entered into a contract with **Capital Recovery Systems** to refer, at the Court's discretion, certain cases for collection. This service is at no cost to the Court and resulted in the collection of \$113,329.35 in 2017 for fines and costs that may have otherwise gone uncollected. Capital has collected \$495,689.36 for the Court since inception.

In December, 2017, the Court entered into a Delinquent Debt Collection Agreement with the **Ohio Attorney General's Office** as an additional means of collecting funds owed to the Court.

# **Court Receipts and Disbursements**

Receipts for the court totaled \$2,211,153.31in 2017compared to \$2,077,226.25 in 2016. This amount excludes the balance on hand as of January 1, 2017. Receipts of the Criminal and Traffic Division totaled \$1,565,993.92. This represents fines, court costs, interest, bonds, and fees.

In 2017, the Court remitted \$1,246,262.17 to the city and county: \$1,114,627.66to the City of New Philadelphia and \$131,634.51 to Tuscarawas County.

Receipts of the Civil Division totaled \$645,159.39in 2017. Civil receipts include filing fees, deposits for costs, bonds,garnishments, judgments paid, and interest.

The Court's criminal and traffic and disbursements are divided among the various political subdivisions affected by the Court. Civil disbursements are divided pursuant to statute.

A complete balance sheet is attached as an appendix to this report.

### **2017 Traffic and Criminal Disbursements:**

### **2017 Traffic and Criminal Special Court Funds Disbursements:**

### **2017 Civil and Small Claims Disbursements:**

Some of the funds received and disbursed by the Court are held by the Court temporarily for others. For example, wage garnishments received on behalf of a creditor. For this reason, the bank accounts of the Court will always reflect a balance on hand amount.

2017 Civil and Small Claims Special Court Funds Disbursements:

# **Specific Funds**

## **Computer Fund**

Current legislation allows the Court to collect additional court costs that are deposited into specific funds for the computerization of the Court. This money can be used to purchase and maintain computer systems for the clerk's office. The money can also be used to provide computerized legal research for the Court. All computer paper, supplies, and a portion of salaries/benefits for computer staff can be purchased or paid for through these funds. One fund is also to be used for "technical" purchases if there is a surplus in the fund.

### **Probation Fund**

A monthly probation supervision fee is assessed to all defendants admitted to a term of probation. These fees are then deposited into the Probation Fund. This fund can be used to provide necessary equipment and pay expenses for the Probation Department.

# **Special Projects Fund**

The purpose of this fund isto acquire and pay for special projects of the Court including, but not limited to, the acquisition of additional facilities or the rehabilitation of existing facilities, the acquisition of equipment, the hiring and training of staff, mediation or dispute resolution services, the employment of magistrates, the training and education of the judge, acting judges, and magistrates, and other related services. The Court, by rule, charges a fee on the filing of each criminal case, civil action or proceeding, or judgment by confession.

### **Domestic Violence Fund**

If a municipal court offers a special program or service in cases of a specific type, the municipal court by rule may assess an additional charge in a case of that type, over and above court costs, to cover the special program or service. The New Philadelphia Municipal Court has created a Domestic Violence Fund from a fee assessed on all domestic violence filings. This fundcan be utilized to allow staff to obtain specialized training in domestic violence and working with domestic violence offenders.

# **Dispute Resolution Fund**

The Court operates a Dispute Settlement Program to provide mediation services to conserve resources by resolving cases without a trial. Income tax and bad check cases may proceed through the Dispute Settlement Program. The purpose of establishing the Dispute Resolution Fund is to cover the cost of the program including personnel costs.

# **Criminal Diversion Program Fund**

The Criminal Diversion Program Fund was created in conjunction with the Criminal Diversion Program (CDP). Eligible defendants pay a diversion program fee which is used, in part, to meet personnel and other costs related to administration of the program.

### **Payment Plan Fund**

By local rule, the Court created a Payment Plan Program to promote payment compliance among offenders who owe the court money as a result of financial sanctions and/or court costs issued by the court. Offenders may enter into a payment plan. The fee to participate is used to defray the costs of the program.

### **Indigent Drivers Alcohol Treatment Fund (I.D.A.T.)**

Pursuant to state law, when individuals are convicted of operating a vehicle under the influence of drugs or alcohol (O.V.I.), or for refusing a breath test, their driver's license is suspended for a period of time. After the suspension is over, they must pay a \$475.00 reinstatement fee to the Bureau of Motor Vehicles. A portion of the reinstatement fee is directed to the I.D.A.T. fund by the Ohio Department of Alcohol and Addiction Services. In addition, H.B. 562, in July of 2009, imposed a \$10.00 court cost on all moving violations. \$1.50 of these increased costs also goes into this fund.

By law, the municipal court is required to have an I.D.A.T. fund. These funds are used to pay for the cost of alcohol and/or drug addiction treatment if a defendant is ordered into treatment and cannot afford to pay the cost of attending the program. In 2005, the state legislature amended the I.D.A.T. statute to allow courts to utilize these funds to pay for C.A.M. anklets for defendants in treatment. In 2017, these funds were used for treatment and/or C.A.M. anklets for 27 O.V.I defendants.

### **Indigent Drivers Interlock and Alcohol Monitoring Fund (I.D.I.A.M.)**

A state law which became effective in September of 2008 increased mandatory O.V.I. fines by \$50.00. In addition, license reinstatement fees were increased by \$50.00. These fines and fees are deposited into this fund which the court was required to establish. These funds are to be used exclusively to cover the cost of immobilizing or disabling devices, including ignition interlock devices and remote alcohol monitoring devices (C.A.M.) for indigent offenders as ordered by a judge. A surplus can be declared in the fund and transferred to the I.D.A.T. fund.In 2017, 59 indigent defendants received assistance to pay the cost of alcohol monitoring devices or ignition interlock devices using this fund.

# **Contributions in Lieu of Community Service Fund (CILOCS)**

This fund was created in 2016 by Resolution of New Philadelphia City Council to segregate funds paid by defendants who choose to make a contribution in lieu of performing community service.

# **Probation Department Report**

The Probation Department is staffed by Chief Probation OfficerLeslie Miller, Probation OfficersWendy Jones, Mindy Craig, and Brian Mathews. Ms. Milleralso serves as the Program Coordinator for the New Philadelphia Municipal Recovery Court.

The Probation Department is responsible for conducting and preparing pre-sentence investigations for defendants awaiting sentencing. In addition, the department supervises each defendant placed on probation. Probation terms vary in both duration and conditions. The majority of probationers are supervised for a year or more.

The Probation department utilizes CaseLoad Pro supervision software which allows the department to closely monitor probationers and produce reports that measure recidivism and outcomes. We use this data when applying for grants and to continuously improve our supervision standards.

The Probation Department also prepares reports for motions to seal records of conviction, not guilty, or dismissals. In addition, probation officers monitor cases in which defendants are not placed on a term of probation but who are required to serve jail, perform community service, or complete the Inmate Work Program or Driver's Intervention Program (D.U.I. Camp).

The Probation Officers obtained over 120 hours of continuing education hours in 2017. Trainings included search and seizure, motivational interviewing, offender skill building, synthetic opioids, investigation handling and safety practices, and case management assessment.

### **Probation Statistics:**

The **Probation Department** added **593** defendants to be monitored on Community Control Sanctions in 2017. A total of **752** persons were supervised during the year by four full time Probation Officers.

## \$96,896.60 was received in Probation Grants:

### New Philadelphia Municipal Recovery Court:

In October, 2017, the Court received re-certification, through December 31, 2020, from the Ohio Supreme Court Commission on Specialized Dockets. **The New Philadelphia Municipal Recovery Court** received its first certification in September, 2015, and began focusing on defendants who have been charged with a misdemeanor offense directly or indirectly related to, or resulting from, opioid dependence.

The specialized docket is intended to hold individuals accountable to their families and society, restore families, enhance public safety by reducing criminal and drug related activity, reduce costs to the taxpayers, and provide an opportunity for drug dependent individuals to become sober, positive, and contributing members of our community. The program incorporates medication assisted treatment, inpatient or intensive outpatient therapies, sober support groups including AA/NA, and other best practices for addiction treatment as developed by the National Association of Drug Court Professionals.

As a result of obtaining Specialized Docket Certification, the Court was also able to apply for and receive a grant from the Ohio Department of Mental Health and Addiction Services in the amount of \$60,000.00 over two years to offset payroll costs of our Chief Probation Officer who is also our Specialized Docket Coordinator.

**\$247,087.00** was awarded to local treatment agencies to provide support to NPMRC and the Tuscarawas County Court of Common Pleas COBRA drug court program. Addiction Treatment Program (ATP) Recovery Supports and Treatment Services funds through an Ohio Department of Mental Health and Addiction Services grant, administered by the ADAMHS Board, will be used to improve treatment services for program recipients. The Court received an additional **\$4,611.65** in Addiction Treatment Program (ATP) Recovery

Supports and Treatment Services funds to help cover administrative expenses of the specialized docket.

The Court also received a grant in the amount of \$13,534.95 from the ADAMHS Board of Tuscarawas and Carroll Counties to offset the cost of drug testing supplies for those participating in Recovery Court and other probationers who are enrolled in the ADAHMS Board system of care.

### **Pre-Trial Supervision Program:**

The Court has utilized a **Pre-Trial Supervision Program**to closely supervise certain defendants while they await trial. **203**defendants were under pre-trial supervision in 2017. Defendants were under supervision for an average of 85 days each. **9** defendants were GPS bracelets for a total of **421** days, and **23** defendants were C.A.M. bracelets for a total of **798** days while under Pre-Trial Supervision. **At an average cost of \$80.27 per day**, the cost to the county would have been \$97,849.13 if those defendants had remained in jail pending trial.

To increase these services and reduce incarceration costs, the Court applied for and received a grant through the Ohio Department of Rehabilitation and Correction Bureau of Community Sanctions. We received the original grant in October of 2016 and a renewal for 2 years in 2017, receiving \$48,750.00 in 2017 and an increase for 2018. 369 assessments were conducted, 203 defendants were enrolled in the program, and we obtained a 99% success rate for those terminated from the program.

Personal and Family Counseling Services, an Ohio Guidestone provider, obtained a grant called **P.R.O.P.S.** (**Pre-Release Outreach and Personal Support**), which places a case-manager in the New Philadelphia Municipal Court to provide case-management services to those in the Pre-Trial Supervision Program. The P.R.O.P.S. program began in October, 2017 and **49** individuals received case-management services. **35** individuals were scheduled for mental health and/or substance abuse services within 3 days of release from jail. **80%** of those individuals remain compliant with treatment and supervision. The addition of these services has contributed to the success of the Pre-Trial Supervision Program.

### **Choices Program:**

The Court has partnered with Personal and Family Counseling Services to develop a collaborative treatment program to reduce recidivism of repeat offenders with anger, mental health and/or substance abuse issues. The program was initially targeted toward domestic violence offenders with minor children in the home, but has expanded to include other types of offenses.

Choices was initially funded through a Criminal Justice and Behavioral Linkages grant through the Ohio Department of Mental Health and Addiction Services. Since December, 2013, the program has used a team approach, involving a designated

probation officer, a community navigator, and a mental health clinician, to break cycles of family violence and substance abuse.

In 2017, **30**defendants participated in the Choices Program. **6** defendants successfully completed the program in 2017, **7** defendants were terminated unsuccessfully, and **17** defendants remain active and compliant as of December 31, 2017.

### **Drug Screens:**

In 2015, the Probation Department began conducting urine drug screens in-house to monitor probation compliance and sobriety of defendants who are ordered to submit to random drug screens as a condition of their probation or participation in Recovery Court. This involves a significant and important commitment of time by our Probation Officers. Defendants came to the Court for those tests. In 2017, **2,832** UDS tests were administered compared to 2,395 in 2016. The Probation Department contracts with American Court and Drug Testing Service for a telephone call-in service called I-Samson where defendants who are subject to random drug testing must call in daily to see if they have been selected to test.

Beginning on January 1, 2018, the Court is partnering with Tuscarawas County Community Corrections and American Court Services to provide grant supported enhanced drug testing services.

### **Criminal Diversion Program:**

The Court continues the **Criminal Diversion Program** (**CDP**) for certain first time offenders. In 2017, **66 first time offenders**entered the program, **48**successfully completed the program, and **10**remain enrolled. **8**people were terminated from the program.

### **Non-Probation Community Service:**

Some non-violent offenders are not required to serve a term of probation, but are given community service as part of their sentence. Leslie Miller, Chief Probation Officer, also serves as the compliance officer for these offenders. In 2017, 627defendants were ordered to complete 14,603 hours of community service. In addition, non-probation defendants who chose to contribute in lieu of performing community service paid \$59,090 of the total CILOCS funds. The Magistrates monitor and enforce community service by means of a "Show Cause" docket held every week.

## **<u>Electronically Monitored House Arrest:</u>**

The Court continues to utilize alternative means to protect the public while reducing the high cost of incarcerating non-violent offenders in our jails. 3 people were placed on **electronically monitored house arrest** in lieu of jail in 2017, for 202 days served. At

an average cost of \$80.27 per day, the cost to the county would have been \$16,214.54if those defendants had served jail.

### **C.A.M./T.A.D**:

C.A.M.(Continuous Alcohol Monitoring) and T.A.D. (Transdermal Alcohol Detection) technology is being utilized by the Court in appropriate cases as part of sentencing to address alcohol abuse. The use of these alcohol monitoring anklets can be ordered in addition to jail time or house arrest. In 2017, 121 defendants were ordered to wear CAM or TAD anklets for a total of 7,630 days. If those had been served as jail days, the cost would have been \$612,460.10.

### **Inmate Work Program:**

36 defendants were assigned to 235 days on the Inmate Work Program in lieu of jail. This program results in lower inmate housing costs at the jail and the collection of a significant amount of trash and recyclables from our highways. At an average cost of \$80.27 per day, the cost to the county would have been \$18,863.45 if those defendants had served jail.

# **Court Security/Bailiffs**

**Matt Henry**is the Chief Bailiff/Chief Court Security Officer.He is assisted by Bailiffs **Joe Reiger,Rick McCoy, and Mary Chenevey.**The bailiffs assist in the courtrooms, serve subpoenas and other processes (including evictions), and provide security throughout the building.

### **Process Serving Data 2017:**

Month	Income	Notice	Evictions	Subpoenas	Debtor	Writs	Misc.	Fail
	Tax	Hearings			Exams			serves
Jan.	2	13	14	164	0	0	0	26
Feb.	1	0	18	141	0	0	0	18
March	1	2	18	196	0	2	0	20
April	0	4	19	153	0	0	1	18

Dec.	1	2	15	176	0	2	0	5
Total	6	37	250	2,090	0	20	4	167 x 3
								=501*

<sup>\*</sup> Fail serve number of 167 is actually 501as each attempt was made three times.

Our bailiffs, primarily Rick McCoy, spent 525 hours serving the above process.

# **Security Log Retention Data 2017:**

All persons entering the building are subject to security screening. The following items were obtained from persons entering the building in 2017.

- 47 knives
- 7mace
- 1 scissors
- 1 misc.

### Conclusion

This Annual Report was prepared by Judge Nanette DeGarmo VonAllman and Court Administrator Judith Dzigiel. Probation information was prepared by Leslie Miller. Security/Bailiff information was prepared by Matt Henry. The balance sheet and case statistical information was prepared by Clerk Julie Stamets and Bookkeeper Michele Green. This Report was printed and assembled in-house.
