

NEW PHILADELPHIA  
IN THE NEW PHILADELPHIA MUNICIPAL COURT  
NEW PHILADELPHIA, OHIO

CLERK  
JULIE A. STAMETS

In the Matter of:

**USPS CIVIL RULE 4.1  
CERTIFIED MAIL SERVICE OF  
PROCESS DURING  
THE COVID-19 PANDEMIC**

**JOURNAL ENTRY**

This Order is made to address United States Postal Service (USPS) service of process by certified mail in the New Philadelphia Municipal Court during the COVID-19 pandemic. This Order arises from changes made within the USPS regarding delivery of certified mail. The Court finds the following:

1. Ohio Civil Rule 4.1(A)(1)(a) provides for “Service by United States certified or express mail” evidenced by return receipt signed by any adult person at the service address.
2. Due to the COVID-19 pandemic, the United States Postal Service has adapted its certified mail delivery procedure to promote social distancing. Carriers will not obtain a signature of the mail recipient, but instead will make certain notations reflecting confirmation of delivery. A copy of the USPS procedure is attached to this Order and incorporated as if fully rewritten herein.
3. USPS carriers are writing “COVID-19” or “CV-19” or similar notations on the electronic signature pad or “green card” as confirmation of delivery.
4. The Court finds that the USPS procedures for certified mail service ensure the integrity of service of process while also protecting the public during the pandemic.

It is therefore Ordered:

Service of process by certified mail may be perfected by the United States Postal Service notations of "COVID" or "COVID-19" (or similar notation, consistent with the United States Postal Service certified mail delivery procedures) on the receipt or confirmation of delivery. Service in this manner shall be deemed to be perfected unless otherwise challenged by a party in the case.

It is so Ordered.

### COVID-19 Response and Prevention

A number of cases of the Coronavirus Disease 2019 (COVID-19) have recently been confirmed across the country.

The safety and well-being of our employees is our highest priority. To help ensure the health of our employees, we are continuing to follow recommended guidance and strategies from the Centers for Disease Control and Prevention (CDC) and local health departments, and are implementing additional measures to help maintain social distancing.

One significant measure being implemented is a temporary modification to mail handling procedures for mail that requires customer signatures. We recognize the close proximity and additional handling that occurs when employees must ask customers for a signature and government issued identification when required. To reduce health risks, we are temporarily modifying customer signature capture procedures for the MDD sign-on-glass feature, PS Form 3811 (Domestic Return Receipt), PS Form 3849 (We ReDeliver for You), and any hard-copy receipt items usually signed by customers. Effective immediately and until further notice, follow the temporary process below for signature service items. This process applies to all letter carriers:

- Avoid ringing the doorbell when possible. Knock on the customer's door. Avoid areas that may be frequently touched when knocking.
- While maintaining a safe, appropriate distance, request the customer's first initial and last name.
  - Using the MDD, scan the mail piece barcode, select Delivered and answer the prompted questions. Enter the customer's first initial and last name when prompted for name.
  - When prompted for the customer to sign the MDD's screen, employees are to print their own initials (not a signature), route number and notate C19 on the screen in lieu of the customer's signature.
  - For Return Receipts and other hard copy items, enter the customer's first initial and last name in the Signature box of the form.
  - For PS Forms 3811 and 3849, employees are to print their own initials (not a signature), route number and notate C19 in the "Received by" or "Printed Name" section, dependent on the form. With the PS Form 3849, scan the completed form following the normal process to finalize the delivery.
- For increased safety, politely ask the customer to step back a safe distance or close the screen door/door so you may leave the item in the mail receptacle or appropriate location by the customer door.
- If there is no response, follow the normal Notice Left process.
- If there are delivery points on your route where social distancing recommendations are difficult to follow, please advise your supervisor so alternative delivery methods can be explored.

It is important to remember that the best defense against sickness is good personal hygiene. Practice good respiratory etiquette and hand hygiene. Wash your hands regularly for at least 20 seconds at a time and cover your mouth when sneezing or coughing, using your elbow or a tissue, and then discard the tissue if you use one. When unable to wash hands with soap and water, it is recommended that hand sanitizer be used to help reduce the spread of germs.

Thank you for your attention.
